_____)	

Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, defendants hereby move for a protective order staying discovery pending resolution of Defendants' Motion to Dismiss or, in the Alternative, for Summary Judgment. In the alternative, if the Court does not issue the protective order requested herein, defendant respectfully requests that defendants' time to respond to plaintiff's discovery request be extended to a date thirty days after the Court's ruling

on this motion. This motion is accompanied by a Memorandum of Points and Authorities in Support of Defendants' Motion for a Protective Order and in Opposition to Plaintiff's Request for Delay of Decision, as well as a Proposed Order.

Undersigned counsel Amanda Quester hereby certifies that she conferred by telephone on November 14, 2001 with Plaintiff Barry Adams. Mr. Adams indicated that he would not agree to the entry of a protective order staying all discovery pending disposition of Defendants' Motions to Dismiss or, in the Alternative, for Summary Judgment, but that, in the event that the Court does not enter the protective order requested by defendants, he has no objection to extending defendants' time to respond to his discovery requests to thirty days after the Court's ruling on this motion for a protective order.

Respectfully submitted,
