PETITION SIGNED IN ANN ARBOR, MICHIGAN, 5/13/17

PETITION TO THE LEGISLATORS OF THE UNITED STATES
 Please support the "Nuclear Weapons Abolition and Economic and Energy Conversion Act"
 Introduced into U.S. Congress every session since 1994, by DC Congresswoman Eleanor Holmes Norton

We, human beings threatened with and burdened by nuclear weapons, HEREBY call upon the LEGISLATORS:

(1) provide leadership to negotiate and enter into a multilateral treaty or other international agreement that provides for the dismantlement and elimination of all nuclear weapons in every country ... under strict and effective international control;

(2) redirect resources that are being used for nuclear weapons programs to use--
 (a) in converting all nuclear weapons industry employees, processes, plants, and programs smoothly to constructive, ecologically beneficial peacetime activities, including strict control of all fissile material and radioactive waste during the period in which nuclear weapons must be dismantled and eliminated pursuant to the treaty or other international agreement; and
 (b) in addressing human and infrastructure needs, including development and deployment of sustainable carbon-free and nuclear-free energy sources, health care, housing, education, agriculture, and environmental restoration, including long-term radioactive waste monitoring;

(3) Undertake vigorous GOOD FAITH effort to eliminate war, armed conflict, and all military operations;

(4) actively promote policies to induce all other countries to join in the commitments described in this subsection to create a more peaceful and secure world.

UNITED NATIONS AMBASSADORS, U.N. Plaza, New York, NY 10017, USA: PLEASE encourage ALL nuclear powers to PROMISE, "Yes, WE'LL GET RID OF ALL OUR WEAPONS OF MASS DESTRUCTION IF EVERYONE ELSE DOES." (Don't quit until the job is done!)

PRINT LEGIBLY, please! (Draw an arrow in left column (->) for more information)
