*Introduced into U.S. Congress every session since 1994, by DC Congresswoman Eleanor Holmes Norton*

We, human beings threatened with and burdened by nuclear weapons, HEREBY call upon the LEGISLATORS:

- (2) redirect resources that are being used for nuclear weapons programs to use--
  - (a) in converting all nuclear weapons industry employees, processes, plants, and programs smoothly to constructive, ecologically beneficial peacetime activities, including strict control of all fissile material and radioactive waste, during the period in which nuclear weapons must be dismantled and eliminated pursuant to the treaty or other international agreement; and
  - (b) in addressing human and infrastructure needs, including development and deployment of sustainable carbon-free and nuclear-free energy sources, health care, housing, education, agriculture, and environmental restoration, including long-term radioactive waste monitoring;
- (3) Undertake vigorous GOOD FAITH effort to eliminate war, armed conflict, and all military operations;
- (4) actively promote policies to induce all other countries to join in the commitments described in this subsection to create a more peaceful and secure world.
