

Please take this peace crane & card and pass it on.

This year is the 75th anniversary of the US atomic bombing of Hiroshima and Nagasaki in Japan on August 6 and 9, 1945. Hibakushas - survivors of the bombing – and friends have folded thousands of cranes and sent them to peace groups in America to remind us of the fragility of life and beauty and to share in a commitment to abolish nuclear weapons.

Try folding your own Peace Cranes:
