PETITION TO THE LEGISLATORS OF THE UNITED STATES

Please support the "Nuclear Weapons Abolition and Economic and Energy Conversion Act"
Introduced into U.S. Congress every session since 1994, by DC Congresswoman Eleanor Holmes Norton

We, human beings threatened with and burdened by nuclear weapons, HEREBY call upon our LEGISLATORS to:

(1) provide leadership by signing and ratifying the United Nations Treaty on the Prohibition of Nuclear Weapons or any other international agreement that provides for -

(A) the dismantlement and elimination of all nuclear weapons in every country; and

(B) strict and effective international control of such dismantlement and elimination;

(2) redirect resources that are being used for nuclear weapons programs to use

(A) in converting all nuclear weapons industry processes, plants, and programs, and in retraining employees, to shift to a constructive, ecologically beneficial peace economy, which includes strict control of all fissile material and radioactive waste; and

(B) in addressing human and infrastructure needs, including development and deployment of sustainable carbon-free and nuclear-free energy sources, health care, housing, education, agriculture, and environmental restoration, including long-term radioactive waste monitoring; and

(3) actively promote policies to induce all other countries to join in the commitments described in this subsection to create a more peaceful and secure world.

UNITED NATIONS AMBASSADORS, U.N. Plaza, New York, NY 10017, USA: PLEASE encourage ALL nuclear powers to PROMISE, "Yes, WE'LL GET RID OF ALL OUR WEAPONS OF MASS DESTRUCTION IF EVERYONE ELSE DOES." (Don't quit until the job is done!)
